The Honorable Jerry Lewis, Ranking Member
Committee on Appropriations
H-218, The Capitol
Washington, D.C. 20515

Dear Chairman Obey and Ranking Member Lewis,

I am requesting funding in the FY10 Transportation, Housing and Urban Development Appropriations bill, Transportation, Community, and System Preservation account for the City of Dahlonega, GA. The entity to receive funding for this project is the City of Dahlonega, GA at 465 Riley Road, Dahlonega, GA 30533. It is my understanding that the funding would be used to design and implement a master plan that will increase pedestrian safety and improve access while preserving the historic nature of the Downtown Development Authority District. Appropriate sidewalks, greenery, period lighting, and signage will be utilized to enhance tourism and economic development.

I certify that this project does not have a direct and foreseeable effect on the pecuniary interests of my spouse or me. I hereby certify that this request will be made publicly available on my Official Website as required by the Committee, that only posted requests will be considered.

Consistent with the Republican Leadership's policy on earmarks, I hereby certify that to the best of my knowledge this request: (1) is not directed to an entity or program that will be named after a sitting Member of Congress; (2) is not intended to be used by an entity to secure funds for other entities unless the use of funding is consistent with the specified purpose of the earmark; and (3) meets or exceeds all statutory requirements for matching funds where applicable. I further certify that should this request be included in the bill, I will place a statement in the *Congressional Record* describing how the funds will be spent and justifying the use of federal taxpayer funds.

Sincerely,

Nathan Deal
